

Hello!

My name is Jillian Pietroforte, and I will be your child's first grader's teacher this year! This is my second year as an elementary school teacher and first year here at McCall.

I attended Temple University for my undergrad and received my master's in education last year from Gwynedd Mercy University in Childhood Education. I am so excited to continue my teaching journey here at McCall.

This year, I aim to create a positive environment where students feel safe, enthusiastic, and are motivated to succeed academically, emotionally, socially, and mentally.

I am excited to get to know everyone and your children! If you have any questions or comments, please don't hesitate to reach out. My door (and inbox) is always open!

Best,

Jillian.
