

102 Supply Fee

Instead of issuing a supply list, I collect a supply fee and order the items in bulk for the classroom. I have found that this saves parents time and money, while ensuring that students have exactly what they need from Day 1. It also helps keep the kids' things more organized, since materials are distributed when needed.

Assuming a class of 25 students, the supply fee for the 2025-2026 school year will be \$28. Note that this number may adjust depending on enrollment. The supply fee will cover:

Item	Price in dollars
25 mead primary composition books	50
Classpack Crayola fine markers 200 ct	53
Classpack Crayola Crayons 800 ct	53
Elmer's glue sticks 60 ct	17
8 reams copy paper	45
4 boxes Expo dry erase markers 36 ct	100
360 pack pre sharpened pencils	30
36 pack whiteboard erasers	13

24 rectangular pink erasers	7
5 12-pack plastic folders (60 total)	45
50 mesh zipper pouches	30
6 pack paper towels	7
1 larger sanitizer	14
30 pack facial tissue (100 sheets per box)	30
Scholastic Let's Find Out Subscription	156.25
Total	$650 + 39(6\% \text{ sales tax}) = 689$

Additionally, students need a pair of wired headphones to be kept at school. I also suggest sending a wired mouse for your child's chromebook. If your child uses a trackpad on a laptop well, then a mouse is not necessary.
