

2025-2026 SCHOOL YEAR

WELCOME TO FIRST GRADE!

Hello! Happy summer and welcome to first grade! Our first grade adventure begins on Monday, August 25th, 2025! I am so excited to spend my second here at McCall with your kiddos!

First grade marks an important milestone in your child's academic journey. I am committed to providing a supportive, inclusive, and secure learning environment where they not only succeed but thrive.

I believe that every child is unique, with their own strengths, interests, and learning styles. I will set aside time at the start of the school year to get to know each child and ensure they feel valued, respected, and seen.

Communication with families is key to your child's success, so please don't hesitate to reach out with any comments, questions, or concerns. Class Dojo will be my primary means of communication, and I will send invites on the first day of school.

It's important that your child knows how to tie their shoes and zip their jacket before the first day of school. Please practice these essential skills with them, as well as practice reading sight words (not spelling them).

Lastly, please ensure that you have all school supplies ready for the first day of school. I have created a list with Amazon links to each item. Please make sure you are getting the correct version of each supply.

If you would like to contribute to our classrooms, please see my Amazon wish list [here](#).

I look forward to meeting you and your child. Here's to a fantastic year ahead!
