

Dear Kindergarten Families,

Welcome! I am so glad that you will be joining me for the 2025/26 school year.

The opportunity to teach your children is a privilege and responsibility that I take very seriously. I will do my best to create a space that encourages learning and promotes growth. However, I will need your help. Whether it's ensuring that your child has read, helping them prepare for a project, or simply asking your child, "What surprised or excited you in the classroom today?" Your motivation and interest make a huge difference. Remember we are a team and must work together to achieve success.

With help and active involvement, we will all have a wonderful and productive year! Please don't hesitate to reach out if you have any questions or concerns.

Sincerely,

Mrs. Morgan
